

CDEX SWAP

Special: Airdrop (Claim Guide)

Updated: Nov 8, 2025

Step 1 – Login

1. Open cdexs.com
2. Click Connect Wallet (top-right) → choose MetaMask (or WalletConnect)
3. Unlock wallet → Connect
4. Click Continue then Sign the *Signature Request* (identity only, not a spend approval)
5. Your wallet address appears on the top-right – login complete

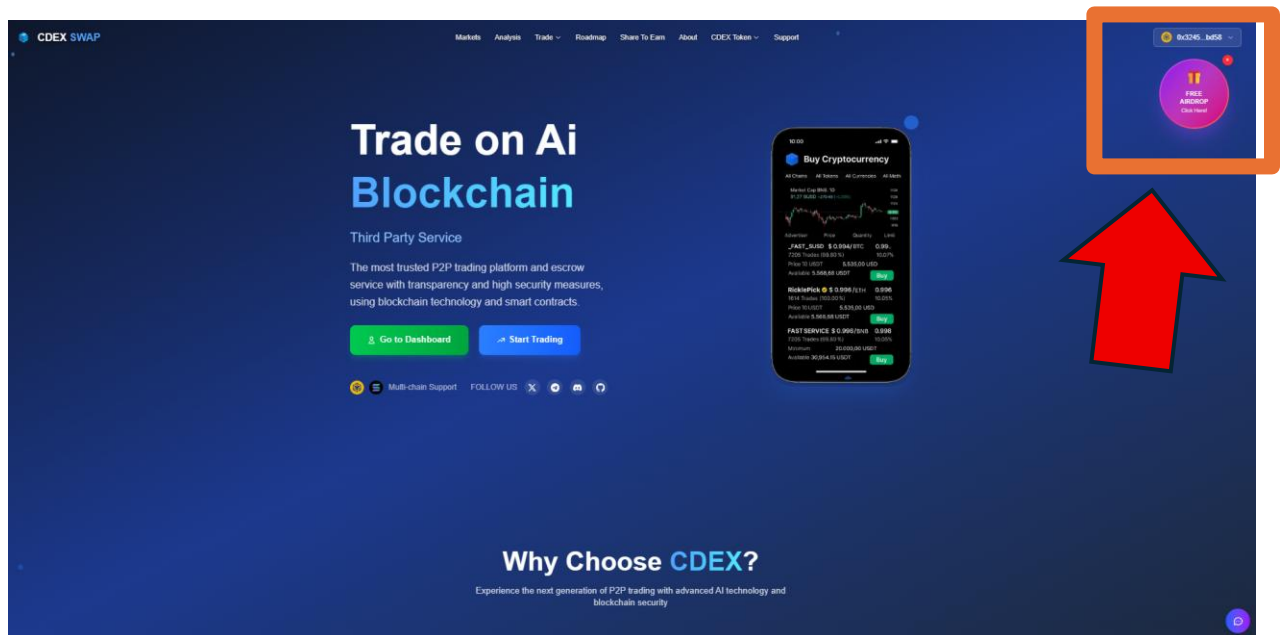

Figure A1 (Landing): Click the purple Gift icon “FREE AIRDROP – Click Here!” to jump to Missions/Airdrop.

Step 2 – Do Missions

1. Click the gift icon (FREE AIRDROP)
2. You'll see available Missions
3. Follow each mission's instructions and click Verify / Complete
4. When requirements are met, status turns Completed and your Claimable amount updates

The screenshot displays the 'CDEX Airdrop Access Gate' interface. At the top, it says 'Complete the requirements below to claim your airdrop' and shows a connected wallet address '0x3245...bD58'. Below this is a section titled 'Airdrop Progress' with a '0/3 Complete' status and an 'Overall Progress' bar at 25%. A button 'Get started with your first requirement' is present. The main area contains three mission cards: 'Connect Wallet & Setup as Seller' with a 'Create Sell Order' button, 'Share Referral Link' with a 'Share Referral' button, and 'Follow @cdexs_official on X' with a 'Verify Follow' button. Each card has a clock icon in the top right corner.

Figure A2 – Airdrop Access Gate (Missions Overview)

- Airdrop Progress shows overall status (e.g., 0/3 Complete, progress bar).
- Mission cards (examples shown):
 - Connect Wallet & Setup as Seller – Connect your wallet and create at least one sell order (click *Create Sell Order*).
 - Share Referral Link – Generate & share your referral; at least 1 person must register (click *Share Referral*).
 - Follow @cdexs_official on X – Follow our official account and click *Verify Follow*.

 Connect Wallet & Setup as Seller & Share Referral Link See the main User Manual for detailed steps.

Step 3 – Claim Tokens

1. On Rewards / Airdrop, click Claim
2. MetaMask pops a transaction → check Network/Gas → Confirm
3. Wait for on-chain confirmation → see Claim successful
4. If tokens don't appear, click Add CDX to MetaMask or add the official token contract manually

Some campaigns use Vesting/Cliff. You can claim only the unlocked portion now and return later for the rest (gas applies each time).
